Welcome to the 2018-19 school year! I am so glad that your child is in our class this year. We will take your child on all sorts of adventures this year!

To start out the school year, we are going to be learning all about the rules of school and focusing on what makes them unique. We will also be going on a bear hunt this week to see all the different parts of the school that we will visit throughout the year.

We will begin show and tell after Labor Day. Your child will have an assigned day to bring something in that starts with the letter or is the color that we are learning.

I hope that your child enjoys the first full week of school!
