

Mac's ACT Prep
Zero Hour mini-classes

Students,

Upon enrolling in Mac's ACT Prep class you are automatically invited to sign up for two zero hour sessions in the subjects of your choice. Please decide upon 2 of the following 5:

Math, Reading, English, Science and Writing.

You will make your choice at the January 7 session. You may indicate particular areas you want to address during the sessions on your "choice" ballot. Once choices are tallied you will be informed of the days and meeting rooms via the website. All zero hour sessions meet the week of Jan. 23-28.

IF you are absent on January 7, please e-mail your choices to suzyruder@yahoo.com. Anyone wishing more than 2 sessions, please contact Mrs. Ruder.
