A custom weight room that will create new levels of motivation and inspiration for BMCS students, faculty and alumni.

Direct Fitness Solutions is proud to present BMCS with custom strength equipment, designed to highlight your school's brand and identity. Finishing touches, such as school colors, custom wraps and logo placement, truly make the weight room a feature space. It will be outfitted with the highest quality brands, complimented by expert layout and installation services from Direct Fitness Solutions. This weight room redesign will bring a sense of immense pride to the BMCS community, today and for years to come.
