Friends of Bishop McNamara,

On behalf of the faculty, staff, and the student body of Bishop McNamara Catholic School, I would like to take this opportunity to welcome you to "Under the Stars." As we celebrate our 36th Annual Dinner Auction, we are excited to have this year's event in November! All of us associated with Bishop McNamara wish to express our sincere gratitude for your continued support and generosity as well as partnering with us in carrying out our mission of providing an excellent Catholic education.

It was ninety-seven years ago, when in 1922, St. Patrick High School opened and the Irish tradition of providing a quality Catholic education to the greater Kankakee community began. As we move closer to our hundredth anniversary, our commitment has grown as Bishop McNamara enters its fourth year as a regionalized school that is committed to providing the nearly nine hundred Pre-K3 -12th grade students with a current, challenging, and quality academic curriculum. Along with our curriculum, we are also faithfully committed to providing our students with a solid foundation to understand and to live out the Gospel message of Jesus Christ.

We are blessed with individuals like Scott and Peggy Purcell '90 Mayer, who are our chairs for this year's event. Their unending dedication and support demonstrates what Bishop McNamara is all about! The willingness to take on this huge responsibility speaks volumes for the selflessness and commitment to our mission. We would also like to express our gratitude to the many volunteers that will make tonight's event a huge success. From the bottom of my heart and on behalf of all of Bishop McNamara, I say thank you for giving so much of yourselves to Catholic education.

It is also my honor and pleasure to recognize in a very special way our Honorary Chairpersons, Bob and Sandy LaMotte '82 Malpasuto. When it comes to servant leadership both Bob and Sandy are true role models. Sandy will give credit to her parents Jim '58 and Marlene LaMotte for instilling in her what it means to give back to the community. Bob and Sandy's two sons are also graduates of Bishop McNamara, Jack in 2012 and Michael in 2014. Sandy volunteers her time here at Bishop McNamara as the Coordinator of Alumni Events. Sandy is also responsible for the publishing of the Irish Update, a semi-annual Alumni newsletter. Bob currently serves as the Chairman of the Bishop McNamara Finance Committee and as a member of the Bishop McNamara School Board. These are their public ministries, there also have been countless behind-the-scenes contributions Bob and Sandy are responsible for over the years.

Please join me in saying "thank you" to Bob and Sandy for the many years of continued support and the giving of themselves for the greater good of Bishop McNamara. The both of you truly exemplify the Bishop McNamara spirit and a continued dedication and commitment to Catholic education.

As the Catholic school in the greater Kankakee area, we are blessed with the present and we look forward to a bright future for Catholic education in our community. The continued dedication and loyalty of the Bishop McNamara family and the community at large, will ensure that our mission of providing a quality Catholic education will continue for generations to come. All of us have been entrusted with the challenge to not only live out our faith, but to share it with our children.

Let us celebrate tonight knowing that through your generosity, you are indeed supporting our mission. On behalf of the entire Bishop McNamara community, I say thank you for your support.

With deep appreciation,

A handwritten signature in cursive script that reads "Terry Granger".

*Quality and value... make all the difference*

Dear Friends of Bishop McNamara,

We are truly honored and humbled to be selected as the Honorary Chairpersons for the 36th Annual Dinner Auction, "Under the Stars." Over the past few months, it has been a great joy working with auction chairpersons, Scott and Peggy Mayer, the auction steering committee, and the advancement office staff as they have prepared for this wonderful event. Moving the auction from May to November has been a bold task and the energy everyone has put in motion to make the transition successful has been nothing short of amazing.

When we moved back to the area 24 years ago, little did we know at the time that Bishop McNamara would mean so much to us. We have met so many wonderful people over the years to include colleagues, faculty and staff, fellow volunteers through various committees and boards, along with fellow parents who remain good friends. We cherish the experiences and memories we have made.

We are most proud of our two sons who are 3rd generation graduates, Jack '12, and Michael '14. Their 12 years of Catholic education more than prepared them academically, spiritually, and socially, as they moved on to the next level. Jack went on to earn a Bachelor of Arts degree in computer science at Belmont University in Nashville, TN. He currently resides in Brooklyn, NY, and works as a software developer for Seat Geek. Michael earned a Bachelor of Arts degree in religion and classics at the University of Rochester in New York and recently completed his master's in teaching at Seattle Pacific University. He currently lives in Seattle, WA, and works as a farm account executive for Barn2Door.

This annual dinner auction is truly about all of us in the room tonight helping to make Bishop McNamara the best that it can be for our current students in all grades, pre-school through 12th, as well as for those yet to come. We are proud to be here tonight sharing in this experience with all of you.

Irish blessings!

Hello Friends!

Welcome to a night "Under the Stars!" It is an amazing feeling to have so many of you joining us for the annual dinner auction a second time this year. We hope that you enjoy the auction and all the new things it has to offer with this new date. Pulling this off in 6 months has been a whirlwind, and it could not have been done without the dedication of the Advancement Office, amazing parent volunteers, and wonderful honorary chairpersons.

Bob and Sandy Malpasuto are truly an inspiration to us all. Their children have graduated and yet they still remain as a strong presence in our school community. Their vision for the future of Bishop McNamara will continue to push us forward and we thank them for their commitment and unwavering support of our school.

As we think about tonight's event "Under the Stars" let us think about those who walked these halls, played sports in this gym, and planned these school events. Let us be an example to our children and pass on what it means to be a Bishop McNamara alum. We truly have a gift here in our community and, as one, we can do great things and continue the traditions that all those who have gone before us have established and passed on to us through generations.

Raise your paddles tonight and continue the traditions and success of Bishop McNamara!

# Restore Tradition

## Paddle Raise

Past paddle raises have provided Bishop McNamara with the STEM curriculum, Blackbox Theatre, technology, and tuition assistance, just to name a few. These investments in our children and our school have helped to grow our Bishop McNamara community as ONE.

## Restore Tradition

This year, our goal is to raise \$30,000 to restore the Bishop McNamara Cafeteria and the adjoining bathrooms. It's more than just a gathering space, though. It's a space where so many traditions come to life.

Through the years, thousands have gathered in the Bishop McNamara cafeteria for all-school Masses, fine arts events, grade school nights, soc hops, Christian service outreach, and fundraisers. Multiple generations have walked through the cafeteria doors to carry on traditions that have stood the test of time such as the father/daughter dance, homecoming coronation, awards ceremonies, and so much more.

Helping us to restore this historical and well-used space will ensure that Bishop McNamara traditions will continue as our school grows and thrives.
