Rate Definitions

Third Source Funding – An integral part of keeping tuition low is third source funding. Third source funding comes from the multiple fundraisers that help support Bishop McNamara Catholic School. Families are strongly encouraged to participate in these fundraisers in order to reach the necessary third source funding budget goals.

Kankakee County Catholic Parish Rate – This is defined as someone who is a Catholic, registered parishioner of a Kankakee County Parish. The family must also be active in the parish by:

- 1) regularly participating in the Sunday Eucharist and the sacramental life of the Parish and;
- 2) contributing regularly to the church collection using the weekly parish envelopes or through direct deposit.

Non-Parishioner Rate – This is defined as someone who is either Catholic but is not attending a Kankakee County Catholic Parish or as someone who does not regularly participate in the Sunday Eucharist, contribute to the church collection, or has not received Catholic Sacraments and is sending their child to Bishop McNamara Catholic School.

This also applies to registered parishioners of a Kankakee County Catholic Parish who do not meet the guidelines as described above.
