THIS WEEK IN KINDERGARTEN WE...

RELIGION

- took a walk outside to enjoy God's Creation
- learned that people are God's most favorite creation
- named and drew pictures of OUR favorite things in God's creation
- attended Mass with our 6th gr. prayer buddies
- practiced good manners, responsibility, and respect in the classroom
- recited the Peace Builder pledge

LANGUAGE/READING

- reviewed letters, sounds, and motions with the "Alphardy" song
- practiced the sight words *we, will, my*
- used the letter sounds we hear to "spell" words when we write
- read non-fiction (informational text), and fiction books about friends and school
- practiced "Read to Self" time
- learned that nouns are words that name people, places, and things
- practiced labeling the nouns in pictures

MATH/SCIENCE

- practiced using one-to-one correspondence to count larger quantities
- counted by 5's and 10's
- took the second Simple Solution Quiz
- identified the basic shapes including, hexagon, trapezoid, rhombus (diamond), rectangle, triangle, square, and circle
- learned about 3-D shapes sphere, cylinder, cube, cone and rectangular prism and found examples around the room. *see below

IMPORTANT NEWS

1. Please have your child look for and name 3-D shapes around your home. They may wish to bring a 3-D shape to school on Monday or Tuesday, as we are playing a "Mystery Game: What's My Shape?" Please have your child bring the shape in a solid bag so the other students can't see inside.
2. **Girls** may want to wear some type of "shorts" under their uniform jumper for comfort and modesty. We do a lot of sitting and playing on the rug, as well as, at gym and recess.
3. It was a pleasure meeting all the parents who attended Preview Night! It's helpful for me to make a connection with names and faces! 😊

I had so many generous offers to buy things for the classroom. At the moment we are pretty well stocked!

*Although... we can always use medium-sized stickers to be used on the daily behavior chart. 😊 If other items come up, I will post it here in the newsletter. Thank you!

4. Reminder...please send a note, email, or phone message, if there is a dismissal change for your child.
5. Bloomz is up and running! If you haven't signed up yet, please do so! My goal is to have 100% participation!
Access Code: 5HQZ8Q

Have a wonderful weekend!
Mrs. Sharon Skelly 😊

P.S. Please pray for the people in the path of the hurricane, and others who may be affected by the storm.
