

We will hold a Butter Braid fundraiser again this year. This was Mac PAC's biggest fundraiser of the 2017-2018 school year, raising more than \$5,300! This year, the fundraiser will kick off on Tuesday, November 6<sup>th</sup> and conclude on Wednesday, November 28<sup>th</sup> – delivery will again be just in time for holiday entertaining!

If you are familiar with Butter Braids, you know how delicious they are – they practically sell themselves! For those who aren't familiar with these yummy pastries, they are made with delicate sweet dough that is hand-braided around delicious fillings such as cinnamon, cream cheese and a variety of fruit fillings. The pastries come frozen allowing buyers to store until ready to prepare.

Butter Braid brand products have been a pillar of quality in the fundraising industry for over 17 years with the mission of helping non-profit groups raise money for worthy causes. They are a highly professional organization that is easy to work with – plus, the products are delicious and convenient! We are excited to work with them again this year to raise some “dough” for our school!
