

PreK-8th Grade Class Parent Responsibilities

Mac PAC Meetings:

Class Parents should attend monthly Mac PAC meetings and will receive service hour credit for attendance. Meetings will be held at 7:00pm on the 2nd Wednesday of every month at the Kankakee site.

Mac PAC Mondays:

On the 1st Monday of every month, we show our teachers and staff how much we appreciate them with Mac PAC Monday! Each month a class will “host” Mac PAC Monday and treat our teachers and staff to something special.

Class Parties:

Class Parents are responsible for planning and coordinating classroom parties, with help from other parent volunteers from the class.

Teacher Gifts (optional):

It is up to you to decide if you will coordinate a class gift for the teacher and teacher’s assistant for Christmas, Birthdays, Teacher Appreciation Week and/or End of Year.

Teacher Appreciation Week

We celebrate our Teachers during National Teacher Appreciation Week – the first full week of May each year. Class Parents assist the site VP with coordinating activities or treats for that week.

Class Project Coordination:

Class Parents are responsible for coordinating a class project, which will be used as a fundraiser for the school. You may choose to manage the class project directly or recruit another parent volunteer from the class to coordinate.

Communications

- Create and manage the class Facebook Group (optional)
- You may be asked from time to time to assist in communicating information to the parents of the students in your classroom.
